Case No. TO-2000-261

AMENDED NOTICE SETTING HEARING ON
PROPOSED MODIFICATION OF INTERCONNECTION AGREEMENT

On July 20, 2000, Southwestern Bell Telephone Company and SBC Advanced Solutions Inc. submitted to the Missouri Public Service Commission (Commission) a proposed modification to their interconnection agreement, previously approved in this case on October 7, 1999. On September 7, 2000, the Staff of the Commission (Staff) filed its recommendation which stated, *inter alia*, that the Staff believed the proposed modification did not conform to Section 252(i) of the federal Telecommunications Act of 1996 and thus opposed the approval of the proposed modification.

The Commission will convene a hearing on Wednesday, October 18, 2000, at **8:30 a.m.** in Suite 310 (the large hearing room) in the offices of the Missouri Public Service Commission in Jefferson City, Missouri, located on the main floor of the Governor Office Building, 200 Madison Street. The purpose of the hearing will be to acquire information from the parties regarding the proposed modification.

The Governor Office Building meets the accessibility standards required by the Americans with Disabilities Act. If any person needs

additional accommodations to participate in this hearing, please call the Missouri Public Service Commission's Hotline at 1-800-392-4211 (voice) or 1-800-829-7541 (TDD) prior to the hearing.

In addition, the parties are notified that an expedited transcript will be requested for delivery the day after the hearing.
