WHEREAS, the Shareholder owns _____ shares of capital stock of the Corporation, which shares constitute all of the issued and outstanding capital stock of the Corporation; and

WHEREAS, the Shareholder wishes to approve, authorize, and consent to a complete liquidation for Federal income tax purposes under section 332 of the Code;

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Shareholder approves, authorizes, and consents to a complete liquidation of the Corporation for Federal income tax purposes to be effected as promptly as practicable and in accordance with the plan of liquidation set forth in this Agreement.
2. To effect the liquidation of the Corporation, the Shareholder hereby resolves that, as promptly as practicable, the Corporation and the Shareholder shall take the following described steps which the parties intend to be deemed a distribution of property in complete cancellation or redemption of all of the Corporation's issued and outstanding capital stock for Federal income tax purposes.
 - a. First, the Corporation shall distribute to the Shareholder, (a) all of the issued and outstanding shares of capital stock of Omega Pipeline Company, and (b) all of the assets of, and all rights, benefits and claims accruing to or in favor of, the Corporation other than those that are being transferred in connection with the purchase and sale transaction contemplated by the Purchase Agreement, if any (as defined below).
 - b. Second, the Shareholder shall sell all of the issued and outstanding stock of the Corporation to Gateway Pipeline Company, Inc. (the "Purchaser") as set forth in the Stock Purchase Agreement (the "Purchase Agreement") entered into by the Corporation, the Shareholder and the Purchaser and, thereafter, together with the Purchaser will file an election pursuant to section 338(h)(10) of the Code with respect to such sale. The Shareholder and the Corporation intend that such election will be treated for tax purposes as a sale of all of the remaining property

of the Corporation and a distribution of such sale proceeds to the Shareholder to complete the liquidation of the Corporation.

3. For the avoidance of doubt, nothing in this Agreement and Plan of Liquidation shall affect the terms of, or the rights of the Purchaser under, the Purchase Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement and Plan of Liquidation to be executed by their respective duly authorized officers as of the day and year first above written.
