Issue Date: July 18, 2013

On July 16, 2013, Union Electric Company d/b/a Ameren Missouri (“Ameren Missouri”) filed an application and petition with the Missouri Public Service Commission pursuant to Sections 393.1009, 393.1012, and 393.1015, RSMo Cum. Supp. 2012, and Commission Rules 4 CSR 240-2.060, 2.080 and 3.265, requesting that the Commission authorize it to change its Infrastructure System Replacement Surcharge (“ISRS”). Section 393.1015.2(3) requires that the Commission act on Ameren Missouri’s application no later than 120 days after the petition was filed; therefore, the Commission must issue an order regarding the application effective no later than November 13, 2013.

Concurrently with its application, Ameren Missouri filed a tariff to implement the changes to the ISRS. Unless the Commission acts to suspend that tariff, it will become effective on August 15, 2013. In order for the Commission to have adequate time to consider Ameren Missouri’s application, the tariff will be suspended.
