Issue Date: April 8, 2015

Effective Date: April 8, 2015

On April 7, 2015, Laclede Gas Company (“Laclede”) filed a *Motion for Extension of Time to File Direct Testimony*. Laclede states that the parties are discussing the issues raised by the Office of the Public Counsel (“OPC”) in its March 19 motion requesting a hearing, and that additional time is needed to determine if the issues can be resolved. Laclede—with the concurrence of the Staff of the Commission and OPC—seeks to extend the deadline for filing direct testimony by one day, to Thursday, April 9. Laclede’s motion would also extend the deadline for the parties to file their issues list and position statements by one day.

The Commission will grant the motion and revise the procedural schedule.
