10. Meter Tests and Billing AdjustmentsA. Meter Tests.

Meters are the property of Company and shall be subject to testing in accordance with the statistical sampling authorized by the Commission in Case No. GO-95-320 in which the Commission granted the Company a variance from the requirements of 4 CSR 240-10.030(19) relating to the removal, testing and inspection of gas meters.

Company at any time, upon the written or verbal request of a customer, will test the meter of such customer, provided only one such test shall be made free of charge within a twelve-month period, and the customer shall pay the cost of any additional tests within this period unless meter is shown to be inaccurate in excess of 2%. The customer may, if he notifies Company, be present at such tests. In the event the registration is proved, by this test by the Company under standard methods, to be inaccurate in excess of 2%, bills will be adjusted by an amount to compensate for the excess or deficiency for a period equal to one-half of the time elapsed since the previous meter test, but not to exceed the applicable time period set forth in B(A) below. No part of a minimum charge will be refunded.

In the event of the stoppage or the failure of any meter to register, the customer shall be billed for such period on an estimated consumption based upon his use of gas in a similar period of like use.

B. Billing Adjustments.

(A) For all billing errors, the Company will determine from all related and available information the probable period during which such condition existed and shall make billing adjustments for the period estimated to be involved as follows (except for as provided in (B), (C) and (D) of this rule) for:
