MOTION TO FILE CORRECTED DIRECT TESTIMONY

Comes now the Staff of the Missouri Public Service Commission (Staff) and respectfully submits as follows:

1. On October 14, 2005, Staff filed the Direct Testimony of Steve M. Traxler in this case. Mr. Traxler's testimony contained an incorrect Schedule SMT-4. Attached hereto and incorporated by reference is the correct Schedule SMT-4. The Direct Testimony of Steve M. Traxler filed on October 14, 2005, remains correct in all respects except for the corrected Schedule SMT-4 and is otherwise identical to that filed on October 14, 2005. Accordingly, Staff does not believe that any party will be prejudiced by the Commission's acceptance of this Corrected Schedule SMT-4.

WHEREFORE, Staff respectfully requests that the Commission accept the Corrected Schedule SMT-4 and substitute this corrected Schedule to the Direct Testimony of Steve M. Traxler filed on October 14, 2005.

Respectfully submitted,

DANA K. JOYCE

DATE OF REQUEST: August 4, 2005

DATE DUE: August 14, 2005
REQUESTOR: Lesley Preston

REQUEST:

1.) Please provide, for the last 5 years, the annual FAS 106 expense for the MPS & L&P Divisions.
2.) Please also provide the amount funded and any explanation for differences between the amount funded and the annual expense. 3.) What type of funding vehicle is used to accumulate the annual contribution?

RESPONSE:

1) See attachment MPSC0263 FAS 106 Expense.xls
2) See attachment MPSC0263 Employee Contributions. Prior to 2003 VEBA funding was equal to the annual expense. Starting in 2003, the contributions would be equal to the claims paid less amounts returned from the VEBA trust. There is not a regulatory requirement that Missouri funding be equal to the annual expense.
3) Funding amounts for FAS 106 are deposited into the VEBA trust for participating groups of employees. For non-participating groups FAS 106 is funded as claims are paid.
