

OF THE STATE OF MISSOURI

Case No. ER-2007-0002

NOTICE OF CORRECTION AND

Issue Date: September 22, 2006

The Commission hereby corrects the Order Adopting Procedural Schedule and Test Year issued September 12, 2006, by changing the date for the list of issues to be circulated to all parties, from January 27, 2007, to January 26, 2007.

In that order, the Commission also specified that documents to be filed with the Commission must be filed by 5:00 p.m. on the date they are due. A party has questioned the need for the 5:00 p.m. deadline given that the Commission's electronic filing system is in operation "24/7". By setting out the 5:00 p.m. filing deadline, the Commission was simply ensuring that the parties in this case, many of whom do not routinely appear before the Commission, were aware of the filing requirements of 4 CSR 240-2.045(2). That section states:

(2) Any item or document filed electronically shall, if received during business hours of the commission's records room, be considered filed as of that day, otherwise, such item or document shall be considered filed as of the next following business day.

Since the business hours of the records room are from 8:00 a.m. to 5:00 p.m., Monday through Friday, any filing received after 5:00 p.m. on the date it is due would be filed out of time.
