MOTION FOR CONTINUANCE OF EVIDENTIARY HEARING

COMES NOW the Staff of the Missouri Public Service Commission (Commission) and for its Motion for Continuance of the Evidentiary Hearing (Motion) scheduled for April 8, 2010 states as follows:

1. In the above-captioned case and pursuant to the Commission's approved procedural schedule, the Laclede Gas Company (Laclede or Company) and the Staff filed direct testimony on February 23, 2010 and rebuttal testimony on March 16, 2010. On March 25, 2010 after seeking a Commission-approved extension the parties filed a joint list of issues.

2. Laclede witness Lynn Rawlings, Treasurer and Assistant Secretary, filed direct testimony and Mark Waltermire, Senior Vice President and Chief Financial Officer, filed rebuttal testimony for Laclede. In his rebuttal testimony, Mr. Waltermire raised additional matters in support of Laclede's direct case. These matters address un-reimbursed expenses, regulatory assets, and margin calls and were not addressed in either Staff witness Zephania Maravangepo's direct testimony or Laclede witness Rawlings' direct testimony.

3. Since these additional matters were not raised in Laclede's direct case, Staff needs the opportunity to inquire into the new matters raised by Mr. Waltermire for the first time in rebuttal.

4. The public interest requires these new issues to be fully developed either prior to or during the evidentiary hearing.

5. Through discussion with Laclede, Staff has been informed of the unavailability of Laclede's witnesses for deposition prior to the April 8th hearing.

6. Rather than developing these issues at hearing, Staff proposes to conduct additional discovery through depositions.

7. The Staff, therefore, moves the Commission to issue an order for continuance of the hearing and resetting the date of the hearing to either April 19, 20, or 21, 2010. Accordingly, the Staff suggests the Commission also reset the date of filing statements of position to April 13, 2010, and the date of filing post hearing briefs to May 14, 2010.

8. To ensure that Laclede may continue to operate under its current authority as provided by the Commission in its February 3rd Order Granting Temporary Financing Authority, the Staff supports extending that authority an additional 30 days to June 15, 2010. This will also provide the Commission sufficient time to issue a final order in this case.

9. Staff counsel has discussed Staff's request to conduct depositions of Ms. Rawlings and Mr. Waltermire on the same date and Laclede counsel has only offered Ms. Rawlings for deposition. Because all witnesses are available on April 8th, the Staff has issued Notices of Deposition and Subpoenas Duces Tecum for April 8, 2010, starting at 10:30am in the Commission's St. Louis offices at 111 N. 7th St., just one block from Laclede's corporate offices.

10. Approval of Staff's requested 12-day continuance creates no harm to Laclede and provides all parties the opportunity to conduct depositions of all witnesses. Furthermore, by allowing Staff additional time to depose both Company witnesses, the conduct of the evidentiary hearing will not be impeded or lengthened due to the need to conduct discovery on the stand that could otherwise be done by deposition.

11. Under Commission Rule 4 CSR 240-2.110(2), the Commission may order continuance of a hearing for good cause. For the above stated reasons, and because the Company seeks Commission authority for the substantial collateralization of the assets of the regulated public utility, the Staff believes it is in the public interest for the Commission to grant a continuance and that Staff established good cause for the Commission to grant Staff its motion for continuance of the evidentiary hearing.

12. The Staff has discussed this Motion with the Office of the Public Counsel and is authorized to represent that the Public Counsel supports Staff's Motion.

13. Attached to this Motion are copies of the Notices of Deposition and Subpoenas Duces Tecum of Ms. Rawlings and Mr. Waltermire.

WHEREFORE, for the reasons stated above, the Staff respectfully requests the Commission grant its Motion and issue an order approving the continuance of the evidentiary hearing and any other orders it deems just and reasonable.

Respectfully submitted,
