COMES NOW the Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) on behalf of; Ameren Missouri; Staff of the Missouri Public Service Commission (Staff); Kansas City Power & Light Company; KCP&L Greater Missouri Operations Company; Missouri Division of Energy; Natural Resources Defense Council; and Sierra Club, and hereby submits the following *List of Issues, List and Order of Witnesses, Order of Opening Statements and Order of Cross-Examination*:¹

LIST OF ISSUES

1. Commission Jurisdiction

Does the Commission have jurisdiction to regulate utility-owned and operated electric vehicle charging stations operated in a utility's service area?

¹ Please note that consensus of the parties was not reached by close of business January 4, 2017. Other parties to this case submitted a similar pleading: *List or Statement of the Issues Submitted by Office of Public Counsel, ChargePoint, Inc., Midwest Energy Consumers Group and Consumers Council of Missouri.*

2. **Public Policy**

Are there public benefits realized from the installation of electric vehicle charging stations, specifically if the Commission were to approve Ameren Missouri's proposed pilot project?

3. **Rates**

Does Ameren Missouri's proposed tariff represent the proper rate design for its EV charging station pilot project?
