ORDER GRANTING EXTENSION

Issue Date: June 23, 2023

Effective Date: June 23, 2023

On December 13, 2022, The Empire District Gas Company d/b/a Liberty (“EDG”) filed an application with the Commission seeking a variance regarding its Sample Meter Testing Plan. The Staff of the Commission (Staff) filed a recommendation, which included six conditions. EDG objected to several of the conditions, and the Commission directed the submission of a procedural schedule or motion for an extension of time.

On June 22, 2023, Staff and EDG jointly requested an extension of time until July 21, 2023, to file a proposed procedural schedule. The motion states that Staff and EDG have been engaged in settlement discussions, and believe additional time is needed for further discussions to determine whether the issues of this case can be resolved, or at least narrowed.

The Commission finds the joint request reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. The joint request for an extension of time is granted. No later than July 21, 2023, the parties shall submit a request for a further extension of time, a joint proposed procedural schedule as previously described, or other appropriate pleading.

2. This order shall be effective when issued.
