The Lessee shall pay according to the rules and regulations of the water department for all water used on the demised premises. The Lessee will erect fire escapes on said premises at said Lessee's own cost, according to law, should the proper authorities demand same.

The Lessee agrees to keep said premises in good order and repair and free from any nuisance or filth upon or adjacent thereto, and not to use or permit the use of the same or any part thereof for any purpose forbidden by law or ordinance now in force or hereafter enacted in respect to the use or occupancy of said premises. The Lessor or legal representatives may, at all reasonable hours, enter upon said premises for the purposes of examining the condition thereof and making such repairs as Lessor may see fit to make.

Said insurance, for Bodily Injury and Property Damage shall have a combined single limit of liability of no less than one million dollars, (\$1,000,000.00) per each occurrence.

Lessor hereby releases Lessee, any assignee and sublessee of Lessee, and Lessee hereby agrees to release Lessor or to secure its sublessee's release of Lessor, from and against any and all claims, demands, liabilities or obligations whatsoever for damage to the property of either Lessor, Lessee or its sublessee resulting from or in anyway connected with any fire, accident or other casualty, whether or not such fire, accident or other casualty shall have been caused by the negligence or contributory negligence of Lessor or Lessee, any assignee or sublessee of Lessor and Lessee or by agent, associate or employee of either of them, to the extent that such damage or loss either is insured against under any insurance contract which at the time of such damage or loss permits waiver of subrogation rights prior to a loss thereunder, or is to be insured against by the provisions of the prior paragraph above.

Failure on the part of the Lessee to pay any installment of rent or increase in insurance rate promptly as above set out, as and when the same becomes due and payable, or failure of the Lessee promptly and faithfully to keep and perform each and every covenant, agreement and stipulation herein on the part of the Lessee to be kept and performed, shall at the option of the Lessor cause the forfeiture of this Lease.

Possession of the within demised premises and all additions and permanent improvements thereof shall be delivered to Lessor upon ten days' written notice that Lessor has exercised said option, and thereupon Lessor shall be entitled to and may take immediate possession of the demised premises, any other notice or demand being hereby waived.

Any and all notices to be served by the Lessor upon the Lessee for any breach of covenant of this Lease, or otherwise, shall be served upon the Lessee in person, or left with anyone in charge of the premises, or posted upon some conspicuous part of said premises.

Re-Entry

Said Lessee will quit and deliver up the possession of said premises to the Lessor or Lessor's heirs, successors, agents or assigns, when this Lease terminates by limitation or forfeiture, with all window glass replaced, if broken, and with all keys, locks, bolts, plumbing fixtures, elevator, sprinkler, boiler and heating appliances in as good order and condition as the same are now, or may hereafter be made by repair in compliance with all the covenants of this Lease, save only the wear thereof from reasonable and careful use.

But it is hereby understood, and Lessee hereby covenants with the Lessor, that such forfeiture, annulment or avoidance shall not relieve the Lessee from the obligation of the Lessee to make the monthly payments of rent hereinbefore reserved, at the times and in the manner aforesaid; and in case of any such default by the Lessee, the Lessor may re-let the said premises as the agent for and in the name of the Lessee, at any rental readily obtainable, applying the proceeds and the avails thereof, first, to the payment of such expense as the Lessor may be put to in re-entering, and then to the payment of said rent as the same may from time to time become due, and toward the fulfillment of the other covenants and agreements of the Lessee herein contained, and the balance, if any, shall be paid to the Lessee; and the Lessee hereby covenants and agrees that if the Lessor shall recover or take possession of said premises as aforesaid, and be unable to re-let and rent the same so as to realize a sum equal to the rent hereby reserved, the Lessee shall and will pay to the Lessor any and all loss of difference of rent for the residue of the term. The Lessee hereby gives to the Lessor the right to place and maintain its usual "for rent" signs upon the demised premises, in the place that the same are usually displayed on property similar to that herein demised, for the last thirty days of this lease.

No

Constructive

Waiver

No waiver of any forfeiture, by acceptance of rent or otherwise, shall waive any subsequent cause of forfeiture, or breach of any condition of this lease; nor shall any consent by the Lessor to any assignment or subletting of said premises, or any part thereof, be held to waive or release any assignee or sub-lessee from any part of the foregoing conditions or covenants as against him or them; but every such assignee or sub-lessee shall be expressly subject thereto.

Whenever the word "Lessor" is used herein it shall be construed to include the heirs, executors, administrators, successors, assigns or legal representatives of the Lessor; and the word "Lessee" shall include the heirs, executors, administrators, successors, assigns or legal representatives of the Lessee and the words Lessor and Lessee shall include single and plural, individual or corporation, subject always to the restrictions herein contained, as to subletting or assignment of this Lease.

Environmental Claims Schedule – MPC/MOGAS

Item	Claim	Description
1	LaBarge Claim	In 1992, during construction of the Missouri Pipeline Co. pipeline, a contractor damaged the existing Conoco pipeline that runs through Mr. LaBarge's property in St. Charles County. Gasoline was spilled on Mr. LaBarge's land, resulting in a claim from Mr. LaBarge. Our understanding is that the contractor, Conoco, and the insurer for the contractor resolved this matter.
2	Hart Claim	William Hart owns land in Franklin County, Missouri. In 1993 he claimed that Missouri Pipeline Company dumped oil and tires on his property. In 1994 Missouri Pipeline Company removed tires from Mr. Hart's property, and stated to the Public Service Commission that it believed this matter had been resolved.
