SUBJECT: Kansas Quality Management Survey

Missouri Public
Service Commission

Kansas has instituted Kansas Quality Management (KQM) to make improvements in work processes and provide services that meet the needs of Kansas taxpayers. In conjunction with this effort, the state assessed property bureau needs to survey the public utility companies to judge the service rendered. If you would take a few minutes to complete this survey it would be most helpful to us. **You may return the survey either with your forms or under separate cover whichever you prefer.**

Please judge all questions from a poor of 1 to an excellent of 10 or NA if you have not used the service.

Rate the instructions and forms. Do they explain what information is needed and how the forms are to be filled out?

NA 1 2 3 4 5 6 7 8 9 10

Rate your contact with PVD staff. Do you get a prompt, courteous and accurate response?

NA 1 2 3 4 5 6 7 8 9 10

Rate your perception of the PVD staff's appraisal knowledge?

NA 1 2 3 4 5 6 7 8 9 10

Does the PVD Notice of Value provide the information you require in a clear format?

NA 1 2 3 4 5 6 7 8 9 10

If an informal conference was needed, was it conducted in a courteous and professional manner?
