**NOTICE REGARDING HEARING**

Issue Date: January 23, 2007

Because the relevant evidence was entered into the record and because there appears to be no dispute between the Staff of the Commission and Missouri Gas Energy, the Judge in this matter polled the parties by electronic mail as to the necessity of a True-Up Hearing. All parties agree that a True-Up Hearing is unnecessary. The Commission therefore cancels the hearing reserved for January 31 through February 2, 2007.
