NOTICE CLOSING CASE

Issue Date: December 5, 2007

On November 5, 2007, Missouri Gas Energy (MGE) filed with the Missouri Public Service Commission an Application for Waiver Concerning PGA Tariff Filing and Motion for Expedited Treatment. MGE requested a waiver of the provision that prohibited the company from making more than one PGA filing in two consecutive calendar months to correct an error in the November 5 filing and to add a rate for the large volume transportation customers. The proposed tariff sheet, reflecting the correction in MGE's Purchased Gas Adjustment factors had a proposed effective date of November 15, 2007. The Staff of the Commission filed its recommendation on November 9, 2007. Staff recommended that the Commission approve the tariff sheet proposed by Missouri Gas Energy. The Commission approved the tariff sheet, which became effective on November 16, 2007.

There remains no further action in this matter. Therefore, this case may be closed.
