

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Atmos Energy)
Corporation's Filing for Purchased Gas)
Adjustment in the 2006-2007 Period.)

Case No. GR-2007-0403

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its Status Report, states as follows:

1. On June 17, 2009, the Staff filed a Status Report informing the Commission that the parties are continuing to exchange information. In that Report, Staff indicated that it anticipated filing either a status report or procedural schedule no later than July 21, 2009.

2. Currently, Staff continues to evaluate information provided in Atmos' recent responses to Staff's Data Requests. Because of the quantity and detail of information involved, Staff needs additional time to analyze responses and to determine the need for additional discovery. Accordingly, Staff believes the parties will be in a position to file either a status report or a procedural schedule by no later than September 22, 2009. Staff counsel has discussed this matter with Public Counsel and represents OPC agrees with Staff's filing of either a status report or procedural schedule not later than September 22, 2009. Staff counsel has been unable to contact Atmos counsel regarding this matter, but is unaware of any reason the company would object to the filing of either a status report or procedural schedule by September 22, 2009.

WHEREFORE the Staff prays the Commission accept this Status Report.

Respectfully submitted,

/s/ Robert S. Berlin
