2006-2007 Actual Cost Adjustment.)	

RESPONSE TO COMMISSION ORDER DIRECTING FILING

COMES NOW the Staff ("Staff") of the Missouri Public Service Commission ("Commission") in the above-captioned matter and for its Status Report in this case states as follows:

1. On May 29, 2009, Staff received AmerenUE's updated reliability study, which included data from the winter of 2008/2009. As noted in the March 24, 2009 *Parties Response to Commission Order*, this study will be used for reliability and gas supply decisions for the winter of 2009/2010.
2. The status of the other issue remaining in this case, as mentioned in *The Parties Response to Commission Order* is resolution of AmerenUE's pursuit of refunds from Missouri Pipeline Company (MPC) and Missouri Gas Company (MGC) (k/n/a MoGas Pipeline LLC) for the overpayment of gas costs. Staff recommended this case remain open pending Staff's final recommendation concerning potential refunds.
3. AmerenUE did not object to the case remaining open for that purpose.
4. The Commission's Revised Report and Order in Case No. GC-2006-0491 is currently pending review by the Western District Court of Appeals.

5. Resolution of Case No. WD70325 should determine what course AmerenUE will pursue for overpayment of gas costs for the Rolla and Panhandle Eastern Pipeline service areas.

WHEREFORE, the Staff recommends, and Ameren UE does not object, to this case remaining open pending resolution of the case noted above.

Respectfully submitted,
