**ORDER DENYING MOTION FOR RECONSIDERATION**

Issue Date December 17, 2008

Effective Date: December 17, 2008

On October 20, 2008, the Missouri Public Service Commission issued an order granting the Staff of the Commission's motion to compel certain information from Laclede Gas Company. Laclede then filed a Motion for Reconsideration, Request for Stay and Request for Establishment of an Evidentiary Hearing. Both Staff and the Office of the Public Counsel filed responses to which Laclede replied. Public Counsel then filed, on November 26, a motion to compel Laclede to comply with the Commission's order of October 20. Finally, Laclede filed a response on December 8.

Laclede has presented the same arguments available to the Commission when the Commission issued its order of October 20. More particularly, Laclede has expressed concerns about its right to a hearing. Although the Commission will deny Laclede's motion for reconsideration, the Commission assures Laclede that no decision will be made with regard to the above-captioned matters without the benefit of an evidentiary hearing.

With regard to Public Counsel's November 26<sup>th</sup> motion, the denial of Laclede's motion for reconsideration effectively requires Laclede to abide by the Commission's order of October 20. Therefore, the Commission will not issue an order granting or denying Public Counsel' motion.

**THE COMMISSION ORDERS THAT:**

1. Laclede Gas Company's Motion for Reconsideration is denied.
2. This order shall become effective upon issuance.
