## ORDER DIRECTING THE PARTIES TO FILE A PROGRESS REPORT

Issue Date: August 13, 2010

Effective Date: August 13, 2010

On July 15, 2010, the Commission granted Staff's motion to compel Atmos Energy Corporation to respond to certain data requests submitted by Staff. That order also directed the parties to jointly or severally file a progress report by August 13 that would include recommendations for the reestablishment of a procedural schedule. The parties filed a joint progress report on August 13 that indicated Atmos has provided the information required by the order to compel. The progress report also indicates Staff and Public Counsel are evaluating that information but have not been able to address the matter of a procedural schedule. For that reason, the parties request the Commission allow them until August 31 to file an additional progress report.

The parties' request is reasonable, and the Commission will grant that request.

### THE COMMISSION ORDERS THAT:

1. No later than August 31, 2010, the parties shall file, jointly or severally, a progress report including recommendations regarding reestablishment of a procedural schedule.

2. This order shall become effective immediately upon issuance.
