File No. GE-2015-0148

ORDER GRANTING VARIANCE TO ALLOW LACLEDE MORE TIME TO FILE ITS CAM ANNUAL REPORT

Issue Date: December 15, 2014

Effective Date: December 15, 2014

In an order issued on January 12, 2011, the Commission granted Laclede Gas Company a variance from Commission Rules 4 CSR 240-40.015(4)(B) and 4 CSR 240-40.016(5)(B) and (C) that allowed Laclede to maintain affiliate transaction information based on its fiscal year ending September 30, rather than on a calendar year basis. That order also required Laclede to file its annual report about such transactions on December 15 of each year. That variance and the December 15 filing date were subsequently incorporated in the company's Cost Allocation Manual (CAM). On December 12, 2014, Laclede filed an Application for Variance, explaining that Laclede will be unable to meet the December 15 filing deadline this year. The application seeks an additional four business days to file the report by December 19 due to the illness of a key employee responsible for preparing the report.

The Commission finds that Laclede has shown good cause for a minimal delay in the filing of its report. The Commission will grant Laclede's application.

THE COMMISSION ORDERS THAT:

1. Laclede Gas Company's Application for Variance is granted.
2. Laclede Gas Company shall file its CAM Annual Report for its fiscal year ended September 30, 2014 no later than December 19, 2014.
3. This order shall be effective when issued.
