

MANGO members that would be covered by an expansion of the Order to all of the MANGO membership are primarily municipal and other small natural gas operators for whom the requested waivers would be particularly helpful.

4. MANGO apologizes for any confusion that may have resulted from its *Supplement to Application* and asks that the Commission reconsider its *Order Granting Temporary Waiver* and issue an amended order that grants a temporary waiver for the entire MANGO membership.

**WHEREFORE**, MANGO requests that the Commission reconsider its *Order Granting Temporary Waiver* and, thereafter, issue an amended order granting a temporary waiver for the MANGO members listed on **Appendix A**.

Respectfully submitted,

---
