

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

Cancellation of Certificate of Service)	
Authority and Cancellation of Tariff of)	<u>File No. XD-2011-0199</u>
ExteNet Systems, Inc.)	

WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 30, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on December 22, 2006, to ExteNet Systems, Inc. (“the Company”), because it reported no Missouri jurisdictional revenue for the past two years. Staff’s motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission’s records.

2. On January 31, 2011, the Company filed its Objection to the Staff’s Motion on the basis that it did had deployed facilities in Missouri to provide certain telecommunications services to other carriers, that it was actively negotiating with those other carriers and that it anticipated reporting revenue in Missouri for the year 2011. The Staff’s Motion, if granted, could interfere with the Company’s ability to offer telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for ExteNet Systems, Inc. and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale
