

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the 2008 Resource Plan of Kansas)	
City Power & Light Company pursuant to 4 CSR)	
240-22.)	Case No. EE-2008-0034

STAFF’S REQUEST FOR EXTENSION OF TIME TO FILE STAFF REPORT

Comes now, the Staff of the Missouri Public Service Commission (Staff), by and through the General Counsel’s Office, and requests an extension of time to file the Staff report regarding KCPL’s resource planning.

1. On August 5, 2008, KCPL filed its Integrated Resource Plan per 4 CSR 240-22.
2. Rule 22.080 provides that the Staff will file a report not later than 120 days after August 5, 2008, to address KCPL’s compliance with Chapter 22 and to note any major deficiencies.
3. Rule 22.080 also provides that the Office of Public Counsel and intervenors may file a report or comments within 120 days.
4. Due to the press of business, Staff requests an extension of time from December 5, 2008, to January 8, 2009, to file its report. Many of the same Staff involved in reviewing KCPL’s resource plan are also performing the prudence review of Aquila’s FAC, which is due on December 1, 2008. Those Staff not working on the prudence review are heavily involved with the AmerenUE and KCPL rate cases currently pending. The AmerenUE hearing begins November 20, and is scheduled to last until December 12, 2008.
5. The Staff has communicated with all parties in this case and determined that no party objects to Staff’s request for an extension of time until January 8, 2009. The extension of

time requested should apply to OPC's and intervenor's reports as well so that they will be due by January 8, 2009, rather than December 5, 2008.

WHEREFORE, Staff moves the Commission for its order granting an extension of time until January 8, 2009, for the Staff's, OPC's and intervenor's reports.

Respectfully submitted,

/s/ Steven C. Reed
