ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: June 13, 2006

Effective Date: June 13, 2006

On May 31 and June 1, 2006, Trigen-Kansas City Energy Corporation, Midwest Gas Users' Association, the University of Missouri-Kansas City and Central Missouri State University each filed requests to intervene in this matter. Interventions in Commission cases are governed by 4 CSR 240-2.075, which requires that the proposed intervenor show it has an interest which is different from that of the general public and that such interest may be adversely affected by the outcome of the case. Each applicant has made a showing that satisfies the Commission's rule.

Commission rule 4 CSR 2-240.080(15) requires that responsive pleadings be filed with ten days. No party has filed a pleading opposing any request to intervene.

The Commission has reviewed the requests for intervention. Because the requests satisfy the Commission's rule and no party has filed a pleading in opposition thereto, the Commission will grant the applications to intervene.

IT IS ORDERED THAT:

1. The Applications to Intervene filed by Trigen-Kansas City Energy Corporation, Midwest Gas Users' Association, the University of Missouri – Kansas City and Central Missouri State University are granted.

2. This order shall become effective on June 13, 2006.
