File No. GR-2007-0256

ORDER SCHEDULING A PREHEARING CONFERENCE

Issue Date: July 7, 2009

Effective Date: July 7, 2009

Staff has completed its review of Missouri Gas Energy's 2006-2007 Actual Cost Adjustment and has recommended the company credit a substantial sum to its ACA balance to adjust for a measuring equipment error that resulted in a large customer being under-billed during the ACA period. MGE filed its response to Staff's recommendation on July 6, 2009. The company disagrees with Staff's proposed adjustment and asks the Commission to schedule a hearing to deal with that matter. The Commission will schedule a prehearing conference so that the Commission and the parties can discuss a procedural schedule.

THE COMMISSION ORDERS THAT:

1. A prehearing conference is scheduled for July 21, 2009, at 10:00 a.m., at the Commission's office at the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, Room 305. This building meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in this conference, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the conference.

2. This order shall become effective immediately upon issuance.
