ORDER CORRECTING TRANSCRIPT

Issue Date: March 25, 2008

Effective Date: March 25, 2008

On March 19, 2008, a Stipulation Hearing was held in this matter. The official transcript of the hearing was submitted to the Commission on March 21, 2008.

During the hearing, Staff's Errata and Suggestions in Support of the Unanimous Stipulation and Agreement, filed on March 17, 2008, was admitted into the record. This document is actually composed of three separate exhibits, and these exhibits were, inadvertently, improperly numbered by the Regulatory Law Judge. There were no objections to the exhibits and this order merely corrects their numbering for the record.

The Transcript, Volume 4, page 85 is corrected as follows:

Staff Exhibit No. 7 - Staff's Suggestions in Support of the Unanimous
Stipulation and Agreement

Staff Exhibit No. 8 - Errata Sheet of Mark L. Oligschalaeger

Staff Exhibit No. 9 - Errata Sheet of Thomas M. Imhoff

Additionally, Staff Exhibit No. 10 is identified in the Transcript as "General Service Class" and this is not a complete title for this exhibit. **It is corrected to read:**

Staff Exhibit No. 10 - Staff's Table: Residential Customer Impact on
Total Bill at Various Usage Levels – Includes
Gas Cost at Current PGA

These corrections will be adopted.

IT IS ORDERED THAT:

1. The Transcript of the Stipulation Hearing conducted on March 19, 2008 in this matter is corrected as directed in the body of this order.
2. This order shall become effective on March 25, 2008.
