Respond Data Request**FILED****APR 11 2011****Missouri Public  
Service Commission**

Data Request No. 0007.1  
Company Name Atmos Energy Corporation-Investor(Gas)  
Case/Tracking No. GR-2008-0364  
Date Requested 1/15/2009  
Issue Expense - Operations - Gas Transportation, Storage, Supply  
Contracts  
Requested From Judy Dunlap  
Requested By Derick Miles  
Brief Description Capacity analysis  
Description For the Company's natural gas planning for the ACA period under review, please provide the following: The Company's analysis of line-segment constraints that would limit the capacity available to specific citygate points and whether this would permit the receipt of full peak day requirements at specific city-gate points.  
Response Please note this response replaces the data request submitted on Friday, January 30th, 2009.  
Objections NA

The attached information provided to Missouri Public Service Commission Staff in response to the above data information request is accurate and complete, and contains no material misrepresentations or omissions, based upon present facts of which the undersigned has knowledge, information or belief. The undersigned agrees to immediately inform the Missouri Public Service Commission if, during the pendency of Case No. GR-2008-0364 before the Commission, any matters are discovered which would materially affect the accuracy or completeness of the attached information. If these data are voluminous, please (1) identify the relevant documents and their location (2) make arrangements with requestor to have documents available for inspection in the Atmos Energy Corporation-Investor(Gas) office, or other location mutually agreeable. Where identification of a document is requested, briefly describe the document (e.g. book, letter, memorandum, report) and state the following information as applicable for the particular document: name, title number, author, date of publication and publisher, addresses, date written, and the name and address of the person(s) having possession of the document. As used in this data request the term "document(s)" includes publication of any format, workpapers, letters, memoranda, notes, reports, analyses, computer analyses, test results, studies or data, recordings, transcriptions and printed, typed or written materials of every kind in your possession, custody or control or within your knowledge. The pronoun "you" or "your" refers to Atmos Energy Corporation-Investor (Gas) and its employees, contractors, agents or others employed by or acting in its behalf.

Security : Public

Brief Description Capacity Analysis

Description For the Company's natural gas planning for the ACA period under review, please provide the following: The Company's analysis of line-segment constraints that would limit the capacity available to specific citygate points and whether this would permit the receipt of full peak day requirements at specific city-gate points.

Due Date 02/04/2009

Response: All Areas

For the ACA period under review, there were no line-segment constraints that limited the capacity available to the company's city gates and/or receipt of full peak day requirements.

The attached information provided to Missouri Public Service Commission Staff in response to the above data information request is accurate and complete, and contains no material misrepresentations or omissions, based upon present facts of which the undersigned has knowledge, information or belief. The undersigned agrees to immediately inform the Missouri Public Service Commission Staff if, during the pendency of Case No. GR-2006-0300 before the Commission, any matters are discovered which would materially affect the accuracy or completeness of the attached information.

If these data are voluminous, please (1) identify the relevant documents and their location (2) make arrangements with requestor to have documents available for inspection in the Atmos Energy Corporation-Investor(Gas) office, or other location mutually agreeable. Where identification of a document is requested, briefly describe the document (e.g. book, letter, memorandum, report) and state the following information as applicable for the particular document: name, title number, author, date of publication and publisher, addresses, date written, and the name and address of the person(s) having possession of the document.
