

DATA INFORMATION REQUEST
Missouri-American Water Company
SA-2021-0017
City of Hallsville

Requested From: Brian LaGrand
Date Requested: November 12, 2020

Information Requested:

Please produce copies of all reports, memoranda, workpapers and any other document, whether prepared by MAWC or a third party, associated with the feasibility study marked as Appendix E-C to MAWC's Application and Motion for Waiver ("Application") that consists of 11 Excel worksheets.

Requested By: Jennifer Griffin

Information Provided:

All supporting calculations for the feasibility study are contained within the Appendix E-C to the Application. Please also reference the response to MoPSC 0003 which provided the documentation submitted by Hallsville to MAWC.

DATA INFORMATION REQUEST
Missouri-American Water Company
SA-2021-0017
City of Hallsville

Requested From: Brian LaGrand
Date Requested: November 12, 2020

Information Requested:

Other than the feasibility study referenced in the preceding data request, has MAWC conducted any other study, evaluation or analysis of the Hallsville sewer system?

If so, please produce copies of all reports, memoranda, workpapers and any other document, whether prepared by MAWC or a third party, associated with any such study, evaluation or analysis.

Requested By: Jennifer Griffin

Information Provided:

No.
