**ORDER MODIFYING RESPONSE DEADLINES**

Issue Date: December 28, 2007

Effective Date: December 28, 2007

On November 13, 2007, Joseph Schneider, filed a complaint with the Commission against Laclede Gas Company. On November 14, 2007, the Commission issued notice and set various response deadlines for the parties to respond. The Commission set a deadline of December 26, 2007, for Staff to file its report and a deadline of January 4, 2008, for any party to file a response to Staff's report.

Laclede timely filed its answer to the complaint on December 14, 2007. Staff timely filed its report on December 26, 2007. Because the Complainant is *pro se*, the Commission is sending Complainant a response form to assist him with any response he may wish to make with regard to Laclede's answer to the complaint and Staff's report regarding the complaint. The deadline for Complainant's response is hereby changed to January 14, 2008. Any party wishing to file a response to the Complainant's response shall have seven days following the actual date of the filing of Complainant's response to file their response.

**IT IS ORDERED THAT:**

1. Complainant's deadline to respond to Staff's report and Laclede Gas Company's answer is extended until January 14, 2008. A separate response form shall be issued to the Complainant with additional instructions.
2. Any party may file a response to Complainant's response no later than seven days following the actual filing of Complainant's response.
3. This order shall become effective on December 28, 2007.
