**NOTICE REGARDING LOCAL PUBLIC HEARINGS  
IN CAPE GIRARDEAU AND WENTZVILLE**

Issue Date: November 29, 2010

As ordered by the Missouri Public Service Commission, local public hearings were scheduled on November 22 and 23 in Cape Girardeau and Wentzville, Missouri. Notice of the hearings was given through bill inserts and by the media serving those areas.

Representatives were present at both locations from the Commission's Staff, Consumer Services Division and the Public Information Division, the Office of the Public Counsel and Union Electric Company d/b/a Ameren Missouri. Commissioner Davis was in attendance in Cape Girardeau. Commissioners Gunn and Kenney were present in Wentzville.

The Question and Answer session was prepared to begin at 5:30 as ordered. In Cape Girardeau, no members of the public were present. The Commission waited for any members of the public to show but to no avail. All parties were therefore dismissed at 6:30. In Wentzville, one member of the public was present. He consulted with and discussed his concerns with the parties. Because he did not wish to give testimony on the record, the Commission did not convene an on-the-record proceeding. Rather, after due time for additional members of the public to arrive, the parties were dismissed.

As previously ordered, additional local public hearings will be held on November 29, 30 and December 1, in Columbia, Jefferson City and Mexico, Missouri.
