**ORDER APPROVING INFRASTRUCTURE
SYSTEM REPLACEMENT SURCHARGE**

Issue Date: April 20, 2023

Effective Date: May 20, 2023

Procedural History

On December 27, 2022, Spire Missouri Inc., (Spire) filed an application and petition with the Commission pursuant to Sections 393.1009, 393.1012, and 393.1015, RSMo, and Commission Rules 20 CSR 4240-2.060, 2.080, and 3.265, requesting that the Commission authorize changes to the Spire Missouri East and Spire Missouri West Infrastructure System Replacement Surcharges (ISRS). In particular, Spire asked for incremental annual ISRS revenues for Spire East of \$3,609,497, and \$5,169,671 for Spire West, for a total increase of \$8,779,168.

Spire also filed a tariff sheet with its application, which bears an effective date of January 26, 2023. Spire filed substitute tariff sheets on January 10 and 11, 2023. The Commission suspended the tariff sheet until June 25, 2023.

The Staff of the Commission filed its recommendation on March 27, 2023. After reviewing the supporting work papers, work order authorizations, accounting entries for work orders, and a sample of invoices supporting the work order authorizations, Staff recommended ~~states~~ that Spire receive total annual ISRS revenue increases of \$3,296,620 for Spire East, and \$4,423,732 for Spire West, for a total increase of \$7,720,352. Spire responded, stating it had no objection to Staff's proposed revenue requirements. No further responses were received.

Decision

The Commission finds that Spire has complied with the requirements of the applicable ISRS statutes to authorize its use of an ISRS. The Commission concludes that Spire shall be permitted to change its ISRS to recover ISRS revenues for this case in the amount of \$3,296,620 for Spire East, and \$4,423,732 for Spire West, for a total increase of \$7,720,352, as recommended by Staff.

Since the revenues and rates authorized in this order differ from those contained in the tariff sheet Spire submitted, the Commission will reject that tariff sheet. The Commission will allow Spire an opportunity to submit a new tariff sheet consistent with this order.

THE COMMISSION ORDERS THAT:

1. Spire is authorized to change its Infrastructure System Replacement Surcharge (ISRS) sufficient to recover ISRS revenues in the amount of \$3,296,620 for

Spire East, and \$4,423,732 for Spire West, for a total increase of \$7,720,352.

2. The tariff sheet filed by Spire on December 27, 2022, as substituted on January 10 and 11, 2023, and assigned Tariff Tracking No. JG-2023-0115, is rejected.

3. Spire is authorized to file new tariff sheets to recover the revenue authorized in this Order.

4. This order shall become effective on May 20, 2023.
