Case No. _____

MOTION FOR EXPEDITED TREATMENT

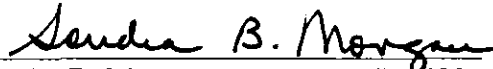

Comes now Goodman Telephone Company (“Goodman”), pursuant to 4 CSR 240-2.080(16), and for its Motion for Expedited Treatment states to the Missouri Public Service Commission (“Commission”) as follows:

1. On March 17, 2005, the Commission issued its Order Granting Staff Motion in which it advised Missouri telecommunications companies that they “may begin billing their customers the Missouri Universal Service Fund surcharge on May 1, 2005, if applicable.”
2. Goodman holds a certificate from the Commission to provide basic local telecommunications services in Missouri and is a “telecommunications company” as defined in 386.020 (51), RSMo 2000.
3. On this same date, Goodman is filing tariff sheets authorizing it to provide low-income and disabled assistance to its customers through the Missouri Universal Service Fund and to authorize it to collect a Missouri Universal Service Fund surcharge from its customers. This tariff was not filed earlier because it was inadvertently omitted when counsel for Goodman was preparing and filing numerous Missouri Universal Service Fund tariffs for the companies represented by the firm. Goodman requests that the Commission approve this tariff on an expedited basis so that the company may offer the assistance to its customers and begin

collecting the surcharge from its customers as ordered by the Commission.

Wherefore Goodman Telephone Company respectfully requests that the Commission grant its Motion for Expedited Treatment and approve the tariff sheets authorizing it to offer low-income and disabled assistance to its customers and to collect the Missouri Universal Service Fund Surcharge from its customers as quickly as possible.

Respectfully submitted,
