ORDER DIRECTING FILING

Issue Date: September 3, 2015

Effective Date: September 3, 2015

The Supreme Court’s mandate reversing and remanding the Commission’s Report and Order resolving Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty Utilities’ ISRS filing requires the Commission to adjust the amount Liberty Utilities was allowed to recover in its 2014 ISRS case to comply with the court’s decision. All parties now agree the amount to be refunded to ratepayers is \$128,832, divided among Liberty Utilities’ three districts. They also agree the refunds should be made in a one-time ISRS bill credit to each customer. Questions remain about the timing of the issuance of those bill credits.

In its pleading filed on September 2, 2015, Liberty Utilities indicates it would like to further discuss that timing question with Staff and Public Counsel. It asks that the parties be allowed until September 10 to provide the Commission with a status update or final proposal regarding the issuance of the bill credits.

Liberty Utilities’ request is reasonable and the parties will be allowed until September 10 to file a status update or final proposal.

THE COMMISSION ORDERS THAT:

1. The parties shall file a status update or final proposal for effectuating the agreed upon bill credits no later than September 10, 2015.

2. This order shall be effective when issued.
