of the Company.)

NORANDA'S STATEMENT OF POSITION

COMES NOW Noranda Aluminum, Inc., by and through counsel, and submits its Statement Of Position.

Noranda Statement of Position

2. Contract Customers:

a. Is Liberty currently authorized to enter into special contracts at non-tariffed rates with its customers in Missouri, such as Noranda and General Mills?

Noranda Position:

Yes. All parties agreed to the terms of such special contracts in the Unanimous Stipulation and Agreement in the last rate case, GR-2010-0193, at p. 3 of such Stipulation. The Commission acknowledged the "treatment of special contracts" under that Stipulation in its Order approving and adopting the same.

b. If Liberty is not currently authorized to enter into special contracts at non-tariffed rates with its customers in Missouri such as Noranda and General Mills, should the Commission authorize Liberty to adopt a tariff to allow it to enter into such special contracts? If yes, what should such tariff state?

Noranda Position:

Liberty is so authorized (see position on (a)).

c. What rate should the Commission use to calculate Liberty's revenues from Noranda and General Mills for purposes of this rate case?

Noranda Position:

For Noranda, Liberty's revenues should be determined from the rates set forth in the current or contemplated contract between Liberty and Noranda as approved by this Commission.

Respectfully submitted,
