2. **Case Nos. GR-2016-0225 and GR-2017-0300:** Since the last Status Update in these cases, the Company has provided Staff with additional explanation regarding the billed revenue and the off-system sales and capacity release amounts as well as spreadsheets which provide an audit trail from the gas costs included in the ACA filing to the underlying invoices. With the additional explanations and documents provided by the Company, Staff's proposed adjustments are not necessary. Staff recommends that the ACA balances be finalized and the cases be closed.
