on the 1<sup>st</sup> day of each and every month during the said term.

Assignment  
or  
Subletting

This Lease is not assignable, nor shall said premises or any part thereof be sublet, used or permitted to be used for any other purpose other than above set forth without the written consent of the Lessor endorsed hereon; and if this Lease is assigned or the premises or any part thereof sublet without the written consent of the Lessor, or if the Lessee shall become the subject of a court proceeding in bankruptcy or liquidating receivership or shall make an assignment for the benefit of creditors, this Lease may by such fact or unauthorized act be canceled at the option of the Lessor. Any Assignment of this Lease or subletting of said premises or any part thereof with the written consent of the Lessor shall not operate to release the Lessee from the fulfillment of Lessee's part of the covenants and agreements herein contained to be by said Lessee performed, nor authorize any subsequent assignment or subletting without the written consent of the Lessor.

Repairs and  
Alterations

All repairs and alterations deemed necessary by Lessee shall be made by said Lessee at Lessee's cost and expense with the consent of Lessor; and all repairs and alterations so made shall remain as a part of the realty; all plate and other glass now

in said demised premises is at the risk of said Lessee, and if broken, is to be replaced by and at the expense of said Lessee.

The Lessor reserves the right to prescribe the form, size, character and location of any and all awnings affixed to and all signs which may be placed or painted upon any part of the demised premises, and the Lessee agrees not to place any awning or sign on any part of the demised premises without the written consent of the Lessor, or to bore or cut into any column, beam or any part of the demised premises without the written consent of the Lessor. The Lessee and all holding under said Lessee agrees to use reasonable diligence in the care and protection of the premises during the term of this Lease, to keep the water pipes, sewer drains, heating apparatus, elevator machinery and sprinkler system in good order and repair and to surrender said premises at the termination of this Lease in substantially the same and in as good condition as received, ordinary wear and tear excepted.

The Lessee shall pay according to the rules and regulations of the water department for all water used on the demised premises. The Lessee will erect fire escapes on said premises at said Lessee's own cost, according to law, should the proper authorities demand same.

The Lessee agrees to keep said premises in good order and repair and free from any nuisance or filth upon or adjacent thereto, and not to use or permit the use of the same or any part thereof for any purpose forbidden by law or ordinance now in force or hereafter enacted in respect to the use or occupancy of said premises. The Lessor or legal representatives may, at all reasonable hours, enter upon said premises for the purposes of examining the condition thereof and making such repairs as Lessor may see fit to make.

Lessor shall procure and maintain at its cost an insurance policy insuring the store building and its improvements against loss or damage by fire, lightning and all standard extended coverage, perils and vandalism for a minimum of 80% co-insurance based on actual cash value thereof. Lessee at its sole cost and expense shall keep all its trade fixtures, equipment, its improvements and inventory on the Leased premises insured against loss or damage of fire, extended coverage, perils and vandalism for the full fair insurable value thereof.

The Lessee, at its cost, shall obtain and continue in effect General Liability insurance, naming the Lessor as an "additional insured, for its interest as Lessor", protecting against liability arising out of use and operations of the Leased premises. Said insurance, for Bodily Injury and Property Damage shall have a combined single limit of liability of no less than one million dollars, (\$1,000,000.00) per each occurrence.

Lessor hereby releases Lessee, any assignee and sublessee of Lessee, and Lessee hereby agrees to release Lessor or to secure its sublessee's release of Lessor, from and against any and all claims, demands, liabilities or obligations whatsoever for damage to the property of either Lessor, Lessee or its sublessee resulting from or in anyway connected with any fire, accident or other casualty, whether or not such fire, accident or other casualty shall have been caused by the negligence or contributory negligence of Lessor or Lessee, any assignee or sublessee of Lessor and Lessee or by agent, associate or employee of either of them, to the extent that such damage or loss either is insured against under any insurance contract which at the time of such damage or loss permits waiver of subrogation rights prior to a loss thereunder, or is to be insured against by the provisions of the prior paragraph above.

If the cost of insurance to said Lessor on said premises shall be increased by reason of the occupancy and use of said demised premises by said Lessee or other person under said Lessee, all such increase over the existing rate shall be paid by said Lessee to said Lessor on demand. The Lessee agrees to pay double rent for each day the Lessee, or anyone holding under the Lessee, shall retain the demised premises after the termination of this Lease, whether by limitation or forfeiture.

Damage to  
Tenants  
Property

Lessor shall not be liable to said Lessee or any other person or corporation, including employees, for any damage to their person or property caused by water, rain, snow, frost, fire, storm and accidents, or by breakage, stoppage or leakage of water, gas, heating and sewer pipes or plumbing, upon, about or adjacent to said premises.

The destruction of said building or premises by fire, or the elements, or such material injury thereto as to render said premises unquestionably untenable for 30 days, shall at the option of said Lessor or Lessee produce and work a termination of this Lease.

If the Lessor and Lessee cannot agree as to whether said building or premises are unquestionably untenable for 30 days, the fact shall be determined by arbitration; the Lessor and the Lessee shall each choose an arbitrator within five days after either has notified the other in writing of such damage, the two so chosen, before entering on the discharge of their duties, shall elect a third, and the decision of any two of such arbitrators shall be conclusive and binding upon both parties hereto.

If it is determined by arbitration, or agreement between the Lessor and the Lessee that said building is not unquestionably untenable for days, than said

Lessor shall restore said building at Lessor's own expense, with all reasonable speed and promptness, and in such case a just and proportionate part of said rental shall be abated until said premises have been restored.

Failure on the part of the Lessee to pay any installment of rent or increase in insurance rate promptly as above set out, as and when the same becomes due and payable, or failure of the Lessee promptly and faithfully to keep and perform each and every covenant, agreement and stipulation herein on the part of the Lessee to be kept and performed, shall at the option of the Lessor cause the forfeiture of this Lease.

Possession of the within demised premises and all additions and permanent improvements thereof shall be delivered to Lessor upon ten days' written notice that Lessor has exercised said option, and thereupon Lessor shall be entitled to and may take immediate possession of the demised premises, any other notice or demand being hereby waived.

Any and all notices to be served by the Lessor upon the Lessee for any breach of covenant of this Lease, or otherwise, shall be served upon the Lessee in person, or left with anyone in charge of the premises, or posted upon some conspicuous part of said premises.

#### Re-Entry

Said Lessee will quit and deliver up the possession of said premises to the Lessor or Lessor's heirs, successors, agents or assigns, when this Lease terminates by limitation or forfeiture, with all window glass replaced, if broken, and with all keys, locks, bolts, plumbing fixtures, elevator, sprinkler, boiler and heating appliances in as good order and condition as the same are now, or may hereafter be made by repair in compliance with all the covenants of this Lease, save only the wear thereof from reasonable and careful use.

But it is hereby understood, and Lessee hereby covenants with the Lessor, that such forfeiture, annulment or avoidance shall not relieve the Lessee from the obligation of the Lessee to make the monthly payments of rent hereinbefore reserved, at the times and in the manner aforesaid; and in case of any such default by the Lessee, the Lessor may re-let the said premises as the agent for and in the name of the Lessee, at any rental readily obtainable, applying the proceeds and the avails thereof, first, to the payment of such expense as the Lessor may be put to in re-entering, and then to the payment of said rent as the same may from time to time become due, and toward the fulfillment of the other covenants and agreements of the Lessee herein contained, and the balance, if any, shall be paid to the Lessee; and the Lessee hereby covenants and agrees that if the Lessor shall recover or take possession of said premises as aforesaid, and be unable to re-let and rent the same so as to realize a sum equal to the rent hereby reserved, the Lessee shall and will pay to the Lessor any and all loss of difference of rent for the residue of the term. The Lessee hereby gives to the Lessor the right to place and maintain its usual "for rent" signs upon the demised premises, in the place that the same are usually displayed on property similar to that herein demised, for the last thirty days of this lease.

#### No Constructive Waiver

No waiver of any forfeiture, by acceptance of rent or otherwise, shall waive any subsequent cause of forfeiture, or breach of any condition of this lease; nor shall any consent by the Lessor to any assignment or subletting of said premises, or any part thereof, be held to waive or release any assignee or sub-lessee from any part of the foregoing conditions or covenants as against him or them; but every such assignee or sub-lessee shall be expressly subject thereto.

Whenever the word "Lessor" is used herein it shall be construed to include the heirs, executors, administrators, successors, assigns or legal representatives of the Lessor; and the word "Lessee" shall include the heirs, executors, administrators, successors, assigns or legal representatives of the Lessee and the words Lessor and Lessee shall include single and plural, individual or corporation, subject always to the restrictions herein contained, as to subletting or assignment of this Lease.

IN WITNESS WHEREOF, the said parties aforesaid have duly executed the foregoing instrument or caused the same to be executed the day and year first above written.

| 1    | LaBarge Claim | In 1992, during construction of the Missouri Pipeline Co. pipeline, a contractor damaged the existing Conoco pipeline that runs through Mr. LaBarge's property in St. Charles County. Gasoline was spilled on Mr. LaBarge's land, resulting in a claim from Mr. LaBarge. Our understanding is that the contractor, Conoco, and the insurer for the contractor resolved this matter. |
| 2    | Hart Claim    | William Hart owns land in Franklin County, Missouri. In 1993 he claimed that Missouri Pipeline Company dumped oil and tires on his property. In 1994 Missouri Pipeline Company removed tires from Mr. Hart's property, and stated to the Public Service Commission that it believed this matter had been resolved.                                                                  |

## SCHEDULE 2.25

By its Report and Order issued in its Case No. GA-90-280 et. al. on June 28, 1991, the Missouri Public Service Commission (the "Commission") granted to Missouri Gas Company ("MGC") a certificate of public convenience and necessity authorizing certain gas pipeline service as described in said Report and Order. Order 9 of the Report and Order directed MGC to file a permanent rate case with the Commission within eighteen months of the date the involved pipeline became operational. No such permanent rate case was filed by MGC in the time specified. At the time the certificate was transferred to UtiliCorp United Inc. ("UtiliCorp"), UtiliCorp filed with the Commission a tariff sheet adopting the tariffs on file for MGC, including schedules of rates and charges for service, and the Commission, by order issued January 4, 1995, effective January 5, 1995, approved the tariff sheet.
