**SUPPLEMENTAL REBUTTAL TESTIMONY**

**OF**

**KIMBERLY K. BOLIN**

**GATEWAY PIPELINE COMPANY, INC.**

**CASE NO. GM-2001-585**

1 **Q. PLEASE STATE YOUR NAME AND ADDRESS.**

2 **A.** Kimberly K. Bolin, P.O. Box 7800, Jefferson City, Missouri 65102.

3 **Q. ARE YOU THE SAME KIMBERLY K. BOLIN WHO FILED REBUTTAL**  
4 **TESTIMONY IN THIS CASE?**

5 **A.** Yes.

6 **Q. WHAT IS THE PURPOSE OF YOUR SUPPLEMENTAL REBUTTAL TESTIMONY?**

7 **A.** The purpose of my supplemental rebuttal testimony is to further express the Public Counsel's  
8 position regarding the approval of the proposed acquisition of Utilicorp Pipeline Systems (UPL) by  
9 Gateway Pipeline Company (Gateway or Company). I will also make a correction to my rebuttal  
10 testimony filed with the Missouri Public Service Commission on July 30, 2001.

11 **Q. DOES THE COMPANY HAVE A BUSINESS STRATEGIC PLAN?**

12 **A.** \*\* \_\_\_\_\_ \*\*

13 **Q. WHAT IS A BUSINESS STRATEGIC PLAN?**

14 **A.** A business strategic plan is a statement of the company's goals and needs for the future. The plan  
15 should outline how the company will achieve its future goals and who will be responsible for  
16 meeting these goals. One example of what the strategic plan should include is the company's need

1 for expansion, when and where this expansion will occur and how the company will finance the  
2 expansion. The strategic plan should also outline who will be responsible for the expansion and  
3 provide a possible timeline for the expansion.

4 **Q. WHY SHOULD THE COMMISSION REVIEW A COMPANY'S STRATEGIC PLAN**  
5 **BEFORE APPROVING THIS TYPE OF TRANSACTION?**

6 A. The Commission should review a company's strategic plan in order to gain a sense of what  
7 direction the new company will take in the future. The Commission could then determine whether  
8 the future plans for the utility could possibly be detrimental to the ratepayers.

9 **CORRECTION TO REBUTTAL**

10 **Q. DO YOU HAVE A CORRECTION TO MAKE TO YOUR REBUTTAL TESTIMONY**  
11 **FILED WITH THE COMMISSION ON JULY 30, 2001?**

12 A. Yes. Starting on pages five, line 27 my testimony reads:

13 In the future, if the Company activates this pipeline the pipeline will be  
14 regulated by the Federal Energy Regulatory Commission(FERC). The  
15 Missouri Public Service Commission will not have jurisdiction over the  
16 pipeline since it crosses the Missouri/Illinois state line.

17 Also, if the Company activates the pipeline held by UPL and connects  
18 MGC and MPL to this system, the Missouri Public Service Commission  
19 (Commission) will no longer regulate MGC and MPL, but FERC will  
20 since the pipelines will become an interstate pipeline

21 My testimony corrected should read:

22 In the future, if the Company activates this pipeline, the pipeline could be  
23 regulated by the Federal Energy Regulatory Commission (FERC). Thus,  
24 the Missouri Public Service Commission (Commission) may not have  
25 jurisdiction over the pipeline if certain conditions are met.

1                   Also, if the Company activates the pipeline held by UPL and connects  
2                   MGC and MPL to this system, the Commission may no longer have  
3                   jurisdiction to regulate MGC and MPL, but FERC may if certain  
4                   conditions are met to make this pipeline an interstate pipeline.

5   **Q.   DO YOU HAVE ANY MORE CORECTIONS TO MAKE TO YOUR REBUTTAL**  
6   **TESTIMONY?**

7   A.   No I am not aware of any corrections that need to be made at this time.

8   **Q.   DOES THIS CONCLUDE YOUR SUPPLEMENTAL REBUTTAL TESTIMONY?**

9   A.   Yes.
