THIRD STATUS REPORT

Comes now the Staff of the Missouri Public Service Commission and for its *Third Status Report*, states to the Missouri Public Service Commission as follows:

1. On March 18, 2005, the Commission issued an *Order Directing Filing*, wherein it ordered that the Staff file a status report concerning the progress that Staff, the Department of Natural Resources (DNR) and the Attorney General have made on a proposed joint plan in this case.

2. On April 8, 2005, a third meeting was scheduled to be held in Macon, Missouri, to discuss technical and administrative issues regarding Kenneth Jaeger and Blue Lagoon Sewer Corp. The meeting was premised upon the receipt of certain information from MECO Engineering, on behalf of Kenneth Jaeger and Blue Lagoon Sewer Corp., to prepare engineering and cost estimates and present proposed alternatives to Blue Lagoon and DNR for their consideration by March 28, 2005. That information was not submitted as required so the third meeting was cancelled.

3. Harry Bozoian of the Attorney General's Office indicated that a hearing is scheduled May 3, 2005 at 11:00 am in Hannibal, Circuit Court for Ralls County, on his Request for Preliminary Injunction, Permanent Injunction and Civil Penalties.

4. Staff believes that the results of the hearing on May 3, 2005, are important in the resolution of the current complaint before the Commission and requests that Staff be allowed to file another status report after reviewing the judgment from said hearing.

WHEREFORE, the Staff submits its *Third Status Report* to the Commission.

Respectfully submitted,

DANA K. JOYCE
General Counsel
