**ORDER DIRECTING NOTICE, SETTING
INTERVENTION DEADLINE, AND MAKING
SPRINT SPECTRUM L.P. A PARTY**

Issue Date: October 10, 2012

Effective Date: October 10, 2012

Syllabus: This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection and reciprocal compensation agreement, Sprint Spectrum L.P. (“Sprint”), as a party to this proceeding.

On October 4, 2012, the Companies¹ filed applications with the Commission for approval of an amendment to the interconnection agreement and reciprocal compensation agreement with Sprint under the provisions of the federal Telecommunications Act of 1996. The Companies state that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although Sprint is a party to the agreements, it did not join in the applications. Because Sprint is a necessary party to a full and fair adjudication of this matter, the Commission will add Sprint as a party to this case.

¹ Each company application identifies the applicant in detail. For purposes of administrative economy, the Commission is issuing a generic notice for these matters.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.² Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 10 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Sprint Spectrum L.P. is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than October 22, 2012, with:

Steven C. Reed, Secretary
Missouri Public Service Commission
Post Office Box 360
Jefferson City, Missouri 65102

Or by using the Commission's electronic filing and information service.

² 47 U.S.C. § 252(e).

4. This order shall become effective upon issuance.

BY THE COMMISSION

Steven C. Reed
Secretary

(S E A L)

Harold Stearley, Deputy Chief Regulatory
Law Judge, by delegation of authority
pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 10th day of October, 2012.
