File No. GM-2013-0254

ORDER GRANTING THE APPLICATION TO INTERVENE OF THE CITY OF KANSAS CITY

Issue Date: February 13, 2013

Effective Date: February 13, 2013

On January 14, 2013, Southern Union Company, d/b/a Missouri Gas Energy, The Laclede Group, Inc., and Laclede Gas Company, filed an application asking the Commission to approve a sale in which Laclede Gas Company would acquire the entire franchise, works, and system of Southern Union's Missouri Gas Energy operating division. The Commission provided notice of that filing and established February 13 as the deadline for interested parties to apply to intervene.

On January 30, the City of Kansas City applied to intervene. Kansas City is a municipality of the State of Missouri that takes service from Missouri Gas Energy. In addition, MGE provides service to the residents of the city and to the businesses operating in the city. More than ten days have passed since Kansas City applied to intervene and no party has objected to that application.

The Commission finds that Kansas City's interest in this case is different from that of the general public, and may be adversely affected by a final order arising from this case.

Furthermore, the Commission finds that allowing Kansas City to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene of the City of Kansas City is granted.
2. This order shall become effective upon issuance.

BY THE COMMISSION

Shelley Brueggemann
Acting Secretary

pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
