

Application for Approval of an Amendment to the)
Interconnection Agreement and Reciprocal) **File No. IK-2013-0154**
Compensation Agreement with Sprint Spectrum L.P.)

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

3. In lieu of a Memorandum, the Staff herein states that the amendment to the interconnection agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the amendment was filed with the Application. Grand River is certificated with the Commission as an incumbent local exchange telecommunications company and Sprint is a wireless service provider not certificated with the Commission.

4. Neither company is delinquent in filing its annual report, or in paying the PSC assessment, or MoUSF and Relay Missouri surcharges.

WHEREFORE, the Staff recommends the Commission approve the amendment to the Interconnection and Reciprocal Compensation Agreement and direct the parties to submit to the Commission any subsequent modifications or amendments to it.

Respectfully submitted,

Colleen M. Dale
