**RECOMMENDATION CONCERNING SCHEDULING**

COMES NOW Staff of the Missouri Public Service Commission and for its Recommendation Concerning Scheduling in these cases states:

1. On September 20, 2007, Missouri Gas Utility, Inc., filed its response to the Staff's recommendation in this case.
2. MGU objected to two of Staff's recommendations.
3. The Commission scheduled a procedural conference to permit the parties the opportunity to discuss the issues and a procedural schedule if necessary.
4. The procedural conference is scheduled for October 9, 2007, at 10:00 a.m.
5. MGU currently has a rate case, Case No. GR-2008-0060, in which an early prehearing conference has been scheduled for October 10. To date, there have been no intervenors in the rate case, so all the parties to the two cases captioned above are the same.

6. Since the parties in both cases are the same, Staff suggests it would be appropriate and convenient for the parties if the Commission would schedule the two conferences for the same date. Staff suggests October 10 at 9:00 am in Room 305. MGU concurs with this request.

WHEREFORE Staff requests the Commission issue its order combining both conferences for October 10.

Respectfully submitted,
