

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Veolia Energy Kansas City, Inc.'s)
Request to Initiate a Small Utility Rate Case)

Case No. HR-2018-0341

NOTICE

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and for its *Notice* hereby states:

October 26, 2018, Staff on behalf of itself and Veolia Energy Kansas City filed a *Non-Unanimous Disposition Agreement* in accordance with the small utility rate case procedure. Within the pleading attached to the Disposition Agreement, the parties asked that the Commission permit 4 CSR 240-3.050, subpart 14, which requires proposed tariff sheets to bear an effective date of no less than 30 days from the date of filing, to govern the specimen tariff sheets filed in conjunction with the Agreement as Appendix D or in the alternative, to waive the provisions of Commission rule 4 CSR 240-10.075(11)(C), which requires tariff sheets filed pursuant to an Agreement that is not executed by all parties to a proceeding to bear an effective date of no later than forty-five (45) days from the date of filing. Inadvertently, in paragraph 4 of the pleading, Staff stated that the tariff sheets bore an effective date of not fewer than forty-five (45) days instead of the thirty (30) days requested. Staff prays that the Commission will accept this notice of its error and grant the parties' request for application of the thirty (30) day effective date for the tariff sheets. Counsel for Veolia and the Office of the Public Counsel have expressed that they are unopposed to this action.

WHEREFORE, Staff prays that the Commission will permit 4 CSR 240-3.050(14) to govern the tariff sheets filed as Appendix D or in the alternative waive the provisions of 4 CSR 240-10.075(11)(C); and grant such other and further relief as the Commission considers just in the circumstances.

Respectively submitted,

/s/ Whitney Payne
