BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of an Investigation into Compliance with the Required Registration of Sellers of Electricity and Gas for Use of Consumption in Missouri.) **Case No. GO-2004-0195**

ORDER DISMISSING PARTIES FROM CASE

On October 24, 2004, the Staff of the Missouri Public Service Commission filed a motion requesting that the Commission open a case to investigate the sale or distribution of gas and electricity, as defined in Sections 393.297-.302, RSMo 2000, by entities that are not certificated by the Commission. On December 9, 2003, the Commission opened a case, added a number a parties and set this matter for prehearing conference to be held on February 4, 2004.

Thereafter, the following companies filed motions to be dismissed from this case: Southwest Energy Training, LLC; Southwest Energy Distributors, Inc.; Talbot Industries; Alliance Energy, LLC; Laclede Electric Cooperative; and, Laclede Energy, LLC. All Movants allege that they are not sellers or distributors, as defined in Sections 393.297-.302 RSMo 2000, and should be dismissed from this case. Staff filed responses to all of the motions and does not oppose dismissing the above parties from this matter.

Commission Rule 4 CSR 240-2.080(15) requires that responsive pleadings be filed within ten days. More than ten days have passed and no party, other than Staff, has filed responsive pleadings. The Commission finds that the motions filed by the above parties are reasonable and will dismiss those parties from this case.

IT IS THEREFORE ORDERED:

1. That Southwest Energy Training, LLC's motion is granted and the Company is dismissed from this case.
2. That Southwest Energy Distributors, Inc.'s motion is granted and the Company is dismissed from this case.
3. That Talbot Industries' motion is granted and the Company is dismissed from this case.
4. That Alliance Industries, LLC's motion is granted and the Company is dismissed from this case.
5. That Laclede Electric Cooperative, Inc.'s motion is granted and is dismissed from this case.
6. That Laclede Energy, LLC's motion is granted and the Company is dismissed from this case.
7. That this order shall become effective on January 30, 2004.

BY THE COMMISSION
