

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Atmos Energy Corporation's)
Annual Winter PGA Filing)

File No. GR-2011-0059

NOTICE CLOSING FILE

Issue Date: November 2, 2010

Atmos Energy Corporation caused this case file to open on August 30, 2010, when it filed a notice of its intent to file its annual Winter PGA filing. Atmos made that filing to comply with the Commission's ethics rule, 4 CSR 240-4.020(2), which requires a company to file notice of its intent to make a filing that will result in a contested case at least sixty days in advance. Subsequently, on October 15, Atmos made its Winter PGA filing in a preexisting case file, GR-2010-0238.

As part of its August 30 filing, Atmos requested a waiver of that portion of the ethics rule that would require 60 days notice before filing a contested case. Since Atmos made its Winter PGA filing in an existing case file, there is no need to waive the 60-day requirement of the ethics rule. As this file is no longer necessary, the Commission will close this file.
