OF THE STATE OF MISSOURI

In the Matter of Union Electric Co. d/b/a AmerenUE's)	
Purchased Gas Adjustment (PGA) Factors to be)	<u>Case No. GR-2006-0087</u>
Audited in its 2004-2005 Actual Cost Adjustment.)	Tariff No. JG-2006-0275

ORDER FINDING GOOD CAUSE FOR TARIFF TO BECOME
EFFECTIVE ON LESS THAN THIRTY DAYS' NOTICE

Issue Date: November 3, 2005

Effective Date: November 3, 2005

On October 14, 2005, Union Electric Company, d/b/a AmerenUE, filed a tariff that reflected scheduled changes in AmerenUE's Purchased Gas Adjustment (PGA) factors as the result of estimated changes in the cost of natural gas for the upcoming winter season. That tariff carried an effective date of November 1. The Commission took no action to suspend or reject the tariff so it went into effect on November 1 by operation of law.

The Recommendation and Memorandum filed on October 25 by the Staff of the Commission stated that the PGA clause in AmerenUE's tariff allows for ten business days' notice for filings reflecting PGA changes and that good cause exists to approve the proposed tariff sheet on less than thirty days' notice.

The Commission concurs with Staff that AmerenUE showed good cause to allow the proposed PGA tariff to go into effect on less than thirty days' notice, as permitted by Section 393.140(11), RSMo 2000. That result is consistent with AmerenUE's approved tariff and is consistent with the public interest in that AmerenUE's tariff simply changes the

numbers in a previously approved formula used to determine the prices to be passed through to consumers for natural gas that is priced at market rates pursuant to federal law.

IT IS THEREFORE ORDERED:

1. That the Commission finds that Union Electric Company, d/b/a AmerenUE, established good cause to allow its PGA tariff filing to go into effect on less than thirty days notice. The tariff sheets that went into effect are:

96th Revised Sheet No. 31, Canceling 95th Revised Sheet No. 31

2. That this order shall become effective on November 3, 2005.
