To Whom It May Concern,

I am requesting that my service be changed from Osage Valley to KCP&L due to:

1. My area/road is serviced primarily by KCP&L. My property is one of the oldest on the road and for some reason was initially serviced by Osage Valley but has subsequently changed.
2. I have commercial property with substantial electric bills. KCP&L has an incentive for Solar Energy that Osage Valley does not have therefore reducing my electric bills, usage and alleviating my current financial burden of the property since selling my main company in an expensive divorce.
3. KCP&L already services the area and is probably more easily onsite.
4. If solar is utilized this will be more environmentally friendly.
