Re: Notice of Adoption of “Fastwyre Broadband” Fictitious Name

Dear Judge Woodruff:

Pursuant to 20 CSR 4240-28.011(2), the following companies respectfully request that the Missouri Public Service Commission (“Commission”) acknowledge its adoption of the Fastwyre Broadband fictitious name by the following regulated entities:

Holway Telephone Company (ILEC)
Holway Long Distance (IXC)
KLM Telephone Company (ILEC)
KLM Long Distance (IXC)
N.W. Communications Co. (CLEC and Video Service Authority)

These entities are in good standing with the Missouri Secretary of State, in compliance with the Commission’s Annual Report requirements, and current with their respective Missouri USF and Commission assessments. These companies have reviewed their contacts on the Commission’s electronic filing and information system (EFIS) and they have been updated as needed.

Evidence of the fictitious name registration of Fastwyre Broadband is included as Attachment A. As required by 20 CSR 4240-2.062(C), a copy of the notice to be sent to customers to inform them of the name changes is included as Attachment B. Copies of the adoption notice and revised tariff title sheets (ILEC and IXC) that are being filed concurrently with this notice (with ten-day effective dates) reflecting the new name are included as Attachment C.

Also, please note that N.W. Communications was issued a CLEC certificate in Case No. CA-2022-0183 and a Video Registration in Case Nos. KA-2010-0156, KA-2012-0023, KA-2012-0185 and KA-2014-0220 will also be using the Fastwyre Broadband fictitious name for its CLEC and Video services.

If you have any questions, please do not hesitate to contact me.

Sincerely,

BRYDON SWEARENGEN & ENGLAND P.C.
