ORDER GRANTING EXTENSION

Issue Date: April 26, 2023

Effective Date: April 26, 2023

On December 13, 2022, The Empire District Gas Company d/b/a Liberty (“EDG”) filed an application with the Commission seeking a variance of the requirement to implement a new Sample Meter Testing Plan. The Commission directed the Staff of the Commission (Staff) to file a recommendation no later than February 17, 2023 – later extended to April 25, 2023.

On April 25, 2023, Staff timely requested an extension of time of one day to file its recommendation – until April 26, 2023. Staff stated it needed additional time due to EDG filing an amended proposal on March 10, 2023, as well as several issues that arose internally.

The Commission finds the request reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff’s request for an extension is granted. Staff shall submit its recommendation, or a request for further extension, on or before April 26, 2023.
2. This order shall be effective when issued.
