Missouri Operations Company for Approval to Make
Certain Changes in Its Charges for Steam Heating
Service.

Case No. HR-2009-0092
Tariff No. YH-2009-0195

## NOTICE OF CLARIFICATION

Issue Date: December 4, 2008

On November 20, 2008, the Commission issued an order setting procedural schedules for this case and for KCP&L Greater Missouri Operations Company's electric rate case and Kansas City Power & Light Company's electric rate case. The schedules included a range of dates for holding local public hearings.

The Commission clarifies that although the HR-2009-0092 procedural schedule included the range of dates for local public hearings, the Commission does not anticipate holding a local public hearing in this case. If any party believes a local public hearing is needed, that party may request one.
