

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the General Rate Increase for Natural) **Case No. GR-2008-0060**
Gas Service Provided by Missouri Gas Utility, Inc.) Tariff No. JG-2008-0138

ORDER DIRECTING FILING

Issue Date: November 13, 2007

Effective Date: November 13, 2007

On October 17, 2007, the parties jointly recommended that the Commission hold one public hearing for this matter in Gallatin, Missouri. The parties suggested the public hearing be held on February 11, 2008. The parties also jointly filed a proposed form of the hearing notice that Missouri Gas Utility would send to its customers as part of its January 2008 bill insert. The proposed notice, however, is incomplete in that the parties left blanks in the notice for volumes and monthly increase amounts.

The Commission has reserved a location for the hearing for February 11, 2008 in Gallatin and is prepared to issue its order formally setting the local public hearing. In order to fully delineate the contents of the customer notice in that order, the Commission will direct the parties to file the information that is missing from its proposed notice.

IT IS ORDERED THAT:

1. No later than November 21, 2007, the parties shall jointly file the volumes and monthly increase information that is currently absent from the proposed notice for the local public hearing that was filed on October 17, 2007.

2. This order shall become effective on November 13, 2007.
